## FFLIW CEFFYLAU ♦ EQUINE INFLUENZA

The society requires all equine entries to have an up-to-date equine influenza vaccination record. Society Officials have made the decision to allow only horses vaccinated against Equine Flu to attend the 2026 Winter Fair.

All equines must have received two primary vaccinations which are given not less than 21 days and not more than 60 days apart.

If sufficient time has elapsed the equine entry must also have received a booster vaccination which is given not less than 120 days and not more than 180 days after the second component of the primary vaccination, and further booster vaccinations at intervals of not more than a year apart.

None of the vaccinations must have been given on the day of entry to the showground or on any of the six days before entry to the showground.

**Note: Minimum requirements are the two primary vaccinations, plus seven days before entry to the showground. Foals born during the year of the Winter Fair are given special dispensation to enter the show i.e., foals from vaccinated mares born in 2026 will not require vaccination.**

Please note that spot checks will be carried out and disciplinary action will be taken if an exhibitor is not compliant.

**ALL Passports will be checked on arrival**

## TALIADAU STABL • STABLE FEES

A fee of £25.00 (including VAT) will be charged per stable, per night. A Sunday stable will operate from 3.00pm Sunday to 5.30pm Monday; a Monday stable will operate from 6.00pm Monday to 5.30pm Tuesday. On Sunday, 28 November declarations will be available between 3pm – 8pm.
**Please note that those who wish to stable for two nights, but are only showing on one day, will need to purchase tickets to allow them to enter the stabling area on the day that they are not competing.**

**No straw** will be provided. As stables are limited, not all exhibitors can be accommodated. Therefore, exhibitors must realise that later reservations may have to be cancelled. Exhibitors will be informed accordingly. No stable fees will be refunded after Wednesday, 11 November 2026.

Stables will be provided in accordance with the requirements below and exhibits must be stabled in the box allocated. Stables are to be used for equines only. In cases of emergency, the Society will not be held responsible for the equines if they have to be let out of their stables. Stables are not transferable between exhibitors. The Society reserves the right to re-allocate stables at its discretion.
