Is your breed represented by a Breed Society Tradestand?

The annual Best Sheep Breed Tradestand Award will again be made in 2023. A special Welsh Royal Crystal Award will be presented to the winner. This year, we are pleased to have Prof & Mrs E Wynne Jones, Aberystwyth, judging the competition, which will commence 9.00am on Saturday, 20th May 2023. The presentation of the award will take place on the winning stand at approximately 2.30pm on the same day.

If your breed is not already exhibiting at the Festival, why not consider attending the 2023 event and give visitors the chance to have an insight and learn about your breed? Who knows, you might even win the above award! To exhibit livestock please contact: [livestock@rwas.co.uk](mailto:livestock@rwas.co.uk) or simply request a Tradestand form by e-mail from: [lucy@rwas.co.uk](mailto:lucy@rwas.co.uk) or download a form from the website [www.rwas.co.uk](http://www.rwas.co.uk)

Please note that all Sheep Breed Tradestands will be situated as near as possible to the Competitive Sheep Section. Please also note that these Tradestands are automatically entered for the above award. Your stand should be informative, educational and appealing and should ideally include live animals on show.

## RBST YOUNG SHEPHERD OF THE YEAR COMPETITION 2023

Please note that the Festival Sheep Young Handler Competition is a qualifying round for the above in 2023. Winners of the Young Handler Classes will be eligible to take part in the RBST Young Shepherd Competition 2023. (If the Class winner has already qualified the next highest placed competitor not previously qualified can go forward). The Grand Final for the RBST Young Shepherd competition will be held at the English Winter Fair, Staffordshire County Showground on Sunday 18<sup>th</sup> November 2023. Further details will be provided in each qualifier pack. There will be classes for the following age groups:- Junior - 8-12 years, Senior - 13-16 years.

The Junior Young Shepherd of the Year will win the Outlane Trophy and the Senior Young Shepherd of the year will win the Harrison Challenge Trophy. The winners from each class will then compete for the overall Young Shepherd of the Year. The winner of the Junior and Senior Category will receive £50 and the Championship Rosette, and the Junior and Senior Reserve will receive £25 and Reserve Champion Rosette.

## **DAY 1**

### **NODIADAU CYFFREDINOL • CYMHWYSTER GENERAL NOTES • ELIGIBILITY**

1. The Society is pleased to schedule 'Back to Back' Dairy Goat shows again this year and hopes that exhibitors will continue to support this system. Please note that all goats must remain on the showground for the full two days of the event.
2. The Dairy Goat section will be situated in Exhibition Hall 2 in 2023. The Society is again pleased to be able to support the use of portable milking machines by exhibitors, if needed. If you need to bring a milking machine, please mark the appropriate box on the entry form but please also contact the Chief Steward to discuss your needs, to ensure that everyone can be accommodated as far as possible. Please ensure that your milking machine, along with any other electrical items you bring to the Show, complies with Rule 29 and be prepared to produce evidence of testing.
3. Please familiarise yourself with the RWAS rules at the back of the schedule, in addition to BGS Recognised Shows Regulation 18 (Previously Regulation 19) and abide by them.
4. No entries will be accepted unless entry forms are accompanied by a current CAE Certificate.
5. Exhibitors please further note that we intend to use the current BGS Grassroots software again to assist with correct listings of goat details in the Festival Catalogue, however your assistance with completing your entry forms early and correctly would be much appreciated.
6. Goat exhibitors are reminded to complete the new EIDCYMRU AML 1 form or equivalent if you are coming from England or Scotland. Each individual animal identification should be listed on the form. The movement licence must be FULLY completed prior to arrival and be ready for inspection at the gate by the Stewards. Exhibitors who are unsure of the requirements are advised to contact their local Animal Health Division Office for further information.
7. The Goat Classes are held under the Rules, Regulations and Recognition of the BGS. All exhibits must be registered with the BGS as in the ownership and in the name of the exhibitor, the registered name and number being quoted on the entry form. (Also, the kidding date for goats in milk).
8. The Society reserves the right, at their discretion, to amalgamate classes which have less than three entries.
9. All goats in milk must be kidded or aborted a minimum of thirty days previous to the date of the Festival and any Male exhibit one year old and over must be penned in the dedicated male area.
10. All exhibits must be CAE negative tested and Whole Herd negative tested and current certificates must be submitted with entry form.
11. No pregnant goat may be admitted to the Showground. In the event of an unforeseen kidding or abortion, the goat must be immediately isolated from other goats. Full details of the goat, exhibitor and action taken must be reported in writing by the Chief Steward to the BGS Secretary, immediately after the Festival.
12. Goat Health Classification
13. B Entries will be restricted to those goats with current BGS CAE-monitored status.
14. W Entries will be restricted to goats from herds that are whole herd negative CAE tested within the twelve months prior to the show. This category may include goats eligible for category B.
15. BGS Regulation 25 defines "whole herd" for CAE testing purposes.
16. The two classifications listed in BGS Regulation 18(10b) contain no mention of herds that are CAE Accredited under the Sheep and Goat Health Scheme operated by the Scottish Agricultural College (SAC). The scheme, aimed at disease eradication, is supported by the BGS, but special provisions need to be made at shows for goats within the scheme.
17. It is the responsibility of those with CAE Accredited herds to ascertain that shows which they wish to enter have the necessary facilities, and they must also ensure that they comply with the Scheme's rules and conditions whilst on the Showground. The following statements must be made on entry schedules for all categories of shows from January 1st, 2000: "No entries will be accepted in the B or W categories unless CAE blood test results are on BGS submission forms or Sheep and Goat Health Scheme forms. This is to enable quick and accurate confirmation of the status of the goats attending a show".
18. There will be a minimum two-meter gap, between the different health status goats. Scrapie Monitoring herd scheme will also be approved in the dairy goat section. Exhibitors are advised that milk that has been passed through the communal weigh bucket should not be fed to kids, as this has been a factor in the spread of CAE in the past.
19. Exhibitors must ensure that they comply with the requirements of national legislation for Recording, Identification and Movement of goats in force at the time of the Festival.

**SATURDAY BOER GOAT CLASSES**

1. Section open to CAE accredited goats only. (Accredited by SAC)
2. (Please note that you cannot enter if in the process of becoming accredited as in they have passed the first blood test but not the second.)
3. A Boer Goat Young Handler Section will again be held in line with other Young Handler Sections in the schedule which will be held on Saturday. A Sunday programme of classes will also continue. Exhibitors, please note that only those who have exhibited on Saturday can compete on Sunday. All exhibitors must arrive either on Friday or Saturday at the stipulated times and must remain on the Showground for the full two days of the event.
4. All Goat exhibitors are reminded to complete the new EIDCYMRU AML 1 form or equivalent if you are coming from England or Scotland. Each individual animal identification should be listed on the form. The movement licence must be FULLY completed prior to arrival and be ready for inspection at the gate by the Stewards.
5. The Boer Goat Classes are held under the rules, regulations and recognition of the BBGS. All exhibits must be registered with the BBGS as in the ownership and in the name of the exhibitor, the registered name and number being quoted on the entry form.
6. The Society reserves the right, at their discretion, to amalgamate classes which have less than three entries.
7. No pregnant goat may be admitted to the Showground. In the event of an unforeseen kidding or abortion, the goat must be immediately isolated from other goats. Full details of the goat, exhibitor and action taken must be

reported in writing by the Chief Steward to the BBGS Secretary, immediately after the Festival.

8. To comply with Health and Safety Regulations, the use of any substance containing toxic chemicals, (including sheep dips to prepare goats for showing), whilst on the Showground is strictly forbidden. Any defaulter will be asked to leave the Showground and entry refused the following year.
9. Please familiarise yourself with the rules at the back of the schedule including Special Regulations relating to Sheep & Goats.
