DEFINITION OF CLASSES AT THE SOCIETY'S SHOW AND REGULATIONS GOVERNING THE SAME

No variations to the rules and regulations will be enforceable unless made in writing by the Society.

1. PENALTY FOR BREAKING RULES

The Board of Directors reserves the right to bar from exhibiting, either in person or through a nominee or agent, any exhibitor, who, in the opinion of the Board, contravenes or has contravened any of the Society's Rules, Regulations or Conditions or who has been disqualified or prohibited from exhibiting or has been fined or otherwise dealt with under the said Rules, Regulations and Conditions, for such period as it shall think fit.

The Board of Directors may refuse to accept an entry without giving any reason for such refusal. Should any member or exhibitor conduct himself or herself in an improper or offensive manner on the Showground or if it be proven to the satisfaction of the Board of Directors (or of any official of the Society to which the Board has delegated such responsibility) that any member or exhibitor has attempted to mislead the Society by any form of misrepresentation whatsoever or has failed to provide a satisfactory explanation for a failure to produce an exhibit duly entered for a Show or has violated any of the Rules or Regulations of the Society then, and in any such case, the Board of Directors may decline to allow the member concerned to renew his or her membership or the exhibitor concerned to exhibit at any future Show of such period as the Board of Directors may in its absolute discretion determine and may forfeit any prize or prize money of such exhibitor.

2. EXHIBITS NOT FORWARD FOR JUDGING

Any exhibitor who is unable to attend the event, **must** inform the Society in writing by **Wednesday 19 June 2024**, a refund will then be issued. After this date, although no refund will be issued, exhibitors must still inform the Livestock Office of their absence in writing. Any tickets and passes received must be returned directly to the Livestock Office by 19 July 2024 with a receipt as proof of return.

Failure by any exhibitor to notify the Society of their absence in writing and return any tickets or passes received, may result in action being taken against that exhibitor. Under the terms of the Society's Disciplinary Procedure, any exhibitor who is found to have breached the Society's rules may be barred from exhibiting at future shows for a period of time

Any Exhibitor whose animal becomes injured whilst on the Showground and is unable to compete in its class, must be certified by one of the Society's vets. The vets certificate **MUST** then be supplied to the Livestock Office. Failure to adhere to these procedures may result in disciplinary action being taken as per above.

The Society will only issue a refund after 19 June 2024 in extreme exceptional circumstances, such as government restrictions, serious illness or death. Any such refund would be subject to all tickets and passes being returned to the Livestock Office no later than 19 July 2024, with a receipt as proof of return. Those who post their tickets must do so by recorded delivery, with the proof of postage retained.

No entrance fee is charged to a member or non-member for a special prize, championship prize or challenge cup, but no exhibit can be entered to compete for a special prize, championship prize or challenge cup, unless already entered in a class for which an entry fee is chargeable. No prize money will be awarded for special prizes unless printed under the relevant section in the schedule.

19. CLOSING DATE OF ENTRIES 22 May 2024 at 11.59pm

Particular attention is directed to the fact that dates stipulated for the closing date of entries will be very strictly adhered to. Late entries will NOT be accepted. Entries open at 10am on Wednesday 17 April 2024.

20. COMPLETION OF ENTRY FORMS

The online entry form may be accessed through the RWAS Website <https://rwas.wales/royal-welsh/>. Paper entry forms may be obtained from the RWAS Office. To prevent any inconvenience and delay, applicants for entry forms are requested to name the kind of stock they are proposing to enter. No stock will be accepted for exhibition unless the certificate of entry, filled in upon the official entry form, completed and signed by the owner in the manner directed and shall have been delivered to the RWAS Office or sent (postage paid) direct to the same on or before the closing date of entries. All hand delivered entries on the first day of entries, will be classed as arriving on the second day, whereby all the envelopes will be shuffled, and entries picked out at random.

21. ELIGIBILITY OF ENTRIES

All exhibitors and exhibits must be registered with their respective Breed Society. All horses, except for foals, entered in Sections requiring them to be registered, should

be formally registered, with the registration number supplied by the closing date of entries **(22 May 2024)**

22. RESPONSIBILITY OF EXHIBITORS

Exhibitors are alone responsible for the accuracy and eligibility of their entries. Entry fees are not returnable to an exhibitor who enters an animal in a class for which it is ineligible or for entries which are withdrawn after the date of entry has expired.

Exhibitors are expected to behave responsibly at all times, any irresponsible misconduct or abuse of Health and Safety regulations by exhibitors to their exhibits, or towards any Society stewards will be dealt with as defined in the current Livestock Rules & Regulations (1, 10, 13, 65 & 66). All exhibitors should note the Management of Health and Safety at Work Regulations 1992, which requires co-operation and co-ordination between all exhibitors and the RWAS. The requirements on both are to carry out adequate risk assessments covering the work to be done. It is then necessary to implement any procedures as required by the above legislation, and also inform all those concerned of these assessments and procedures.

Animals which are known to be wild or fractious by nature must not be brought to the Showground.

Animals which are subject to restrictions under the Animal Health Act 1981 (as amended) or the Animal and Animals Products (Import and Export) (England and Wales) Regulations 2000 will not be allowed onto the Showground.

Exhibitors in all sections (except goats) are not permitted to enter an animal in any class, which is to be judged by a person who has or had a financial or other interest in the animal, or which has stood in his or her yard. Exhibitors should adhere to the specific rules of their relevant breed society on this matter, where such rules are available. The onus of complying with this regulation rests entirely on the exhibitor. In all Interbreed Championships the onus rests on the exhibitor to stand down if the interbreed judge has or had a financial or other interest in the animal or if it has stood in his or her yard.

23. DATES OF BIRTH

The ages of the cattle are (except where otherwise specified) calculated to the first day of the Show, but horses, sheep and pigs will be duly classified by the age estimated from 1st January in each year (thus a foal born at any period in 2023 becomes a yearling on the 1st January 2024). The exact date of birth of each animal must, wherever possible, be stated on the entry form, in order that the judges may take the actual ages into consideration in deciding upon the relative merits of the animals in each class.

24. PROPERTY OF EXHIBITORS

Every exhibit must at the closing date of entries be the bona fide property of the person or persons in whose name(s) the entry appears in the catalogue, except in the case of an animal contractually leased or on hire, or by prior special permission of the Board of Directors. The onus for complying with this rule is entirely upon the Owner, and the Society takes no responsibility for ensuring the eligibility of any exhibits.

The Society does not permit the catalogued owners details and correspondence address to be amended after the closing date of entries. Therefore, if an animal is sold, exhibitors should be aware that the catalogue and the results will refer to the catalogued owner and cannot be changed. Furthermore, all tickets, passes, prize money and correspondence will only be sent to the individual who entered the animal. The exhibitor must inform the Society of the change of ownership and also inform the new owner of the need to contact the Society to complete a declaration form confirming that they will adhere to the Society's rules. Failure to submit this form prior to the Show may result in the animal being

disqualified from competing or stripped of any awards and prize money following the event.

25. SUBSTITUTIONS INTO THE SAME CLASS

An exhibitor who has made an entry of horses, cattle, sheep, pigs or goats in a particular class, will be permitted, up to the 19 June 2024, to withdraw the entry of such animal and to substitute for it an entry of another animal in the **same class** which was his or her bona fide property at the time of his or her original entry. The additional fee will be £1.00 for each substituted entry.

No substitutions will be accepted after 22 May 2024 (except as provided for under Rules & Regulations 26 below).

This must be provided in writing, email, or letter.

26. SPECIAL SUBSTITUTIONS

In the event of any animal duly entered for the Society's Show becoming ineligible for exhibition as a consequence of restrictions imposed by the National Assembly for Wales Agricultural Department, the Board of Directors reserves the right to allow the owner of such animal to substitute another one for it. In the event of substitution after the Official Catalogue has gone to press, full particulars of the substituted animal shall be displayed on its box, stall, or pen.

27. CONTAGIOUS DISEASES

Failing to furnish the required proof, he or she may be prohibited from exhibiting. Any prize, if awarded, may be withheld and the award cancelled. Any animal found at the Show incorrectly ear marked will be removed from the Showground.

Exhibitors should note that in the event of a dispute the Society reserves the right to carry out DNA testing.

30. CORRECTNESS OF CLASS ENTRY

The judges, with the sanction of the Stewards, will withhold prizes from exhibitors whose animals are entered in the wrong class, but if an exhibitor can prove to the satisfaction of the Stewards who can refer to the original entry form, filed in the Livestock Office on the Showground, that an entry has been catalogued in the wrong class through a clerical error of the staff or through a printer's error, the Stewards are empowered to have such exhibit judged in the class intended by the exhibitor.

31. PROOF OF ENTRY

No exhibits will be received at the gate unless the official entry document is shown as proof of entry.

32. ADMISSION TICKETS

Exhibitors must show their exhibitors admission ticket each time they enter the Showground. No one shall be allowed to enter the Showground without the correct tickets and passes. The exhibitor will be responsible for the proper use of the tickets and passes issued to his or her attendants. In case of transfer, or other improper use of a ticket or pass, the exhibitor may be required to pay a fine of £50.00 for each case during the event or be referred to the Society's Disciplinary Panel following the Show.

33. CONDITIONS OF ADMITTANCE

prize winners will be selected. The remaining exhibits will be asked to leave the judging ring after running once in front of the Grandstand.

In addition to the above, exhibitors of Section A and Section D stallions, please note that the judging process will take place as follows: -

Up to the first twenty will be selected and lined up. The stallions not selected will form a second line behind and will be given the chance of either having one run in front of the Grandstand and then leave the ring or stay in the second line until the final judging is completed and be included in the final display of stallions in the Main Ring.

If any exhibitor is found leaving the ring at any other time, he or she concerned will be warned by the Society's Stewards and subsequently reported to the Welsh Pony & Cob Society.

57. JUDGING - WELSH COBS - WELSH PONIES (COB TYPE) - UNDER SADDLE
