## CYMHWYSTERAU BSHA RIHS • BSHA RIHS QUALIFIERS

**Beirniad/Judge**

**Mr Nigel Wakefield, 27a West Furlong, Nottinghamshire**

**RULES FOR COMPETITORS**

In all Pony and Coloured Performance Classes competitors may use any suitable bridles including Micklem bridles, flash, or grackle nosebands and a correctly fitted running martingale. Coloured or plain browbands can be used depending on the type of pony/horse being shown. In the Performance Pony Classes and the non-Native Coloured Horse or Pony Class animals must be plaited. In the Coloured Native/Cob/Traditional Class animals will be shown unplaited or hogged. Mountain and Moorland Ponies will not be penalised in the Performance Classes for having non pulled tails and feathers but must be plaited.

Judges should ask the age of the animal and what class the rider competes their horse or pony in e.g. WHP, Pony Club, Sports Pony/Eventing, Dressage or Showing etc.

Judges will penalise riders who miss out a movement in the Performance Classes e.g. not cantering a circle by 10 points per movement. The rest of the display will be marked based on the quality and correctness of performance for the type of animal being judged based on rewarding a strong performance, penalising mistakes, not cantering on a straight line, heavily penalising bad manners and vice e.g. bucking, rearing, napping etc

In the Mark section for Presentation and the Suitability of the Rider judges will consider the overall turnout. Marks will be deducted if the rider is unsuitably mounted. Presentation must consider and reward horses and ponies that are "fit not fat" and "fit for purpose" for their type, e.g. an event/sports pony may carry less overall condition than a Show Hunter Pony.

In the Mark Section for Type, Movement and Way of Going judges will be awarding ponies that are the right type for the classification it is being shown in e.g. WHP/Sports/Event/Hunter Type. Show Pony and in the Coloured classes traditional versus Cob or Native type. The movement of the pony must correspond to its type and way of going must be in accordance with the class it would mainly compete in.

**Method of judging for Performance Classes**

Exhibitors will go round the ring as whole group, (no pull in). They will then undertake an individual display (rather than a show) where they need to show certain movements which will include walk, trot, canter on both reins, a canter circle, canter transitions on the straight, extension in canter on one rein and free walk on a long rein and halt. Competitors in these classes will not be stripped. Shows may put on a Championship for the two highest exhibits in the performance classes.

**Marks:**

Performance	70 Marks
Manners and Way of Going	10 Marks
Presentation, suitability, and condition	10 Marks
Type and Freedom of Action	10 Marks
TOTAL	100 Marks

**WORKING HUNTER and WORKING SHOW HORSES CHAMPIONSHIP - 1<sup>st</sup> & 2<sup>nd</sup> prize winners from classes 1135 - 1139 to compete**

The Working Hunter classes will be judged under the following rules:

1. The judge will take into account the suitability of the bridle and bit, based on the rider's competence and the way the pony is going in the class.
2. Fences will be of 'hunting type' built with rustic materials and be as substantial as possible. The course will be free flowing to encourage natural paces in both plaited and native ponies/horses.
3. Riders will be encouraged to walk the course on foot before their class.
4. A rider can ride up to 2 ponies or horses in the jumping (no change of rider is allowed).
5. No change of rider or tack is allowed between phases or during a phase. Protective boots may be used in the jumping phase. Bandages and protective pads on ponies' feet are not allowed.
6. Once judging has commenced, if a pony or horse leaves the ring it will be eliminated from the class.
7. In the event of a tie the highest jumping mark followed by the individual performance mark followed by the conformation mark will prevail. If all three marks are the same the judge's decision is final.

**Judging Format:**

Each competitor will come into the ring one at a time and complete the jumping phase, those not eliminated will be asked to complete a short individual show immediately after the jumping phase and may be asked to present for a conformation assessment. Following this, all those who have completed both phases will be called back into the ring as a group and the awards presented.

## SHB(GB) Classes (run under 2024 rules)

### QUALIFYING CLASSES FOR CHAMPIONSHIP SHOWS

For classes 1181-1183, only horses registered with SHB (GB) and who are also registered on the current year's Show Hunter Register are eligible to enter in Qualifying Classes for Ridden and Working Hunter Championships and the Show Hunter Registration Number must be quoted on all entry forms.

Any horse that is entered for a Qualifying Class without first being on the Show Hunter Register cannot subsequently be registered and therefore will not be eligible for entry in any qualifying classes for the remainder of the season.

Competitors may compete on a day ticket (£46) and may have a maximum of two day tickets per season. Each day ticket (£46) is valid for one show, and it covers owner and rider membership together with horse registration / overstamp for that show. If the class is a qualifying class for RIHS for the qualification to be valid, application for full owner/rider membership and horse registration / overstamp must be received in the SHB(GB) office within 14 days.

For classes 1178 and 1179, horses must be on SHB(GB) basic ID or have the passport overstamped by SHB(GB). Owner & rider must be current members or can compete on a SHB(GB) day ticket.
