Ein bwriad wrth sefydlu Pentref Garddwriaeth newydd ydy dod â holl elfennau gwych garddwriaeth Cymru ynghyd mewn un dathliad arbennig yn ystod wythnos y Sioe Fawr yng Ngorffennaf. Bydd y pentref yn adeiladu ar draddodiad hir o gystadlu brwd ym maes llysiau a chefl blodau yn ogystal ac agor cwr y llen ar gyfleoedd newydd i gefnogi a thyfu'r sector yng Nghymru i'r dyfodol. Mae sicrhau ein bod yn denu cenhedlaeth newydd o arddangoswyr a thyfwyr i gystadlu a dathlu eu gwaith yn y sioe yn holl bwysig a dyna pham fydd cydweithio â byd addysg a sgiliau yn ganolog i'n gwaith eleni.

Rwyf wirioneddol wedi fy nghyffroi â photensial y pentref garddwriaeth a'r datblygiadau newydd a gobeithiaf y gallwch gefnogi ein gweledigaeth a'n hethos i ysbrydoli, addysgu a chydweithio. O gydweithio parod ac ystyrlon gwn y gallwn dyrchafu garddwriaeth Cymru ar blatfform rhyngwladol a dod â bri i'r maes am genedlaethau i ddod.

Shwmae!

I am Adam Jones, Assistant Honorary Director of Horticulture for the Royal Welsh Agricultural Society and I would like to take this opportunity to thank you for your interest in supporting the developments of the horticulture village at the Royal Welsh Show this year.

Our intention in establishing a new Horticultural Village is to bring together all the great elements of Welsh horticulture in one big celebration during the Royal Welsh show in July. The village will build on a longstanding tradition of keen competition in both Floral Art and exhibiting fruits and vegetables as well as open the door to new opportunities to support and grow the sector in Wales for the future.

Ensuring that we nurture a new generation of exhibitors and growers to compete and celebrate their work at the show is very important and that is why collaboration with the education and skills will be central to our work this year.

I am really excited about the potential of the horticulture village and the new developments and I hope that you can support our vision and ethos to inspire, educate and collaborate. From willing and meaningful collaboration, I know that we can promote Welsh horticulture on an international platform and bring prestige to this sector for generations to come.

Yn ddiffuant,

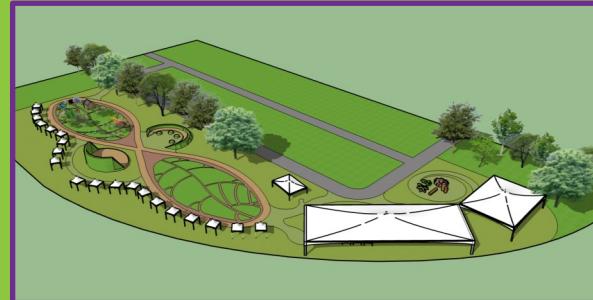

Adam Jones

Ein Dyhead Our Aspiration

Bydd y pentref yn dathlu pob agwedd ar arddwriaeth yng Nghymru - o dyfu cymunedol i dyfu masnachol, cystadlaethau ac arddangosfeydd. Ochr yn ochr â hyrwyddo manteision iechyd a chymdeithasol garddio, addysg ac adeiladu cadwyn gyflenwi gwydn llawn cynnrych Cymreig cynaliadwy.

Ein hethos yw 'Ysbrydoli, addysgu a chydweithio.' Lle i ysbrydoli wrth arddangos rhagoriaeth gydag arddangosfeydd cystadleuol yw'r Pentref Garddwriaeth. Lle ar gyfer addysg a dysgu wrth weithio mewn partneriaeth ag ysgolion a cholegau. Bydd hefyd yn creu cyfleoedd i gydweithio trwy greu mannau cymdeithasol cynhwysol, mannau cyfarfod a llwyfan sgwrsio ac arddangos.

Mae'r dyluniad yn seiliedig ar ein dyheadau allweddol o sicrhau cynwysoldeb a bioamrywiaeth, gyda siapiau organig a llwybr cerdded ffigur wyth yn wahanol i ddyluniad geometrig maes y sioe. Yn y canol mae strwythur arddull amffitheatr i weithredu fel llwyfan ar gyfer sgyrsiau, seminarau ac arddangosfeydd rhwngweithiol trwy gydol yr wythnos. Gallai'r ddwy ardal siâp deilen ganolog gynnal gerddi sioe ac arddangosfeydd gan stondinwyr, partneriaid a chystadleuwyr.

The village will celebrate all aspects of horticulture in Wales - from community to commercial growing, competitive showing and displays. Alongside promoting the health and social benefits of gardening, education and building a resilient supply chain of sustainable Welsh produce.

The ethos is to 'inspire, educate and collaborate.' The village will be a space to inspire by showcasing excellence with competitive exhibits and displays. It will be a place for education and learning by working in partnership with schools and colleges. And it will create an opportunity to collaborate through inclusive social spaces, meeting areas and a stage for demonstrations and talks.

The design is based on our key aspirations of inclusivity and biodiversity, with organic shapes and a figure of eight walkway in contrast to the geometric design of the showground. In the middle is an amphitheatre style structure to act as a stage area for talks, seminars and interactive displays throughout the week. The two central leaf shaped areas in the middle could hold show gardens and displays from stallholders, partners and competitors.
