Dear Exhibitor

In 2024, the horticulture competitive section will be located within the new Horticulture Village which is the Society's new vision for horticulture as launched at the 2023 Show by Lesley Griffiths MS. The village will celebrate all aspects of horticulture in Wales – from community to commercial growing, competitive showing and displays. Alongside promoting the health and social benefits of gardening, education. The ethos is to 'inspire, educate and collaborate.' The village will be a space to inspire by showcasing excellence with competitive exhibits and displays. It will be a place for education and learning by working in partnership with schools and colleges. And it will create an opportunity to collaborate through inclusive social spaces, meeting areas and demonstration stages.

The competitive element will be housed within separate marquees with a dedicated one for Horticulture and one for Floral Art. Entries will be made via the online entry system which is convenient and easy to use without the additional work and cost with postage and a secure way to pay. We will continue with the option of doing this via the traditional postal entry system for those who do not have suitable connectivity.

Please note the additional information below.

Good luck with your competition entries and thank you for your support and interest.

### Notes for exhibitors and judges

- Flowering stems can be taken from ANY flowering plant.
- The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and Sweet William – which are all dianthus – would not be classed as different kinds.
- The Royal Welsh Top Vase class is open for anyone to enter and is not intended purely for growers who regularly display single species classes at shows.
- The points awarded should be clearly marked by the judges on the exhibitors' cards.
