No Plot numbers will be given out in advance. Your caravan should be parked centrally in front of the peg.** Please respect stewards and staff on duty. A camper van is considered the same as a caravan by the Society. Only one awning/gazebo (which must be attached to the caravan) per caravan is permitted. Sleeping in awnings/gazebos is strictly not allowed.

To ensure compliance with Fire Safety Regulations all caravans will be required to be spaced six metres between caravan walls and three metres clear between associated equipment (e.g car or awning) and the adjacent caravan.

Example of correct spacing between caravans:

Exhibitors **MUST** state on the livestock remittance form if their vehicle will be used for accommodation. There will not be a fee for exhibitors using their vehicles for accommodation. The above parking areas and arrangements will also apply to those exhibitors using their vehicles as accommodation.

Due to Health and Safety tents cannot be erected, under any circumstances, in any caravan parks. The Society will not be held responsible for any accidents to person/s erecting tents in unauthorised areas and they will be removed.
