2024

Digwyddiad CAFC Glaswellt a Thail Cynaliadwy  
Ceredigion 2024  
RWAS Sustainable Grass and Muck event

## **TENDER APPLICATION FOR TOILETS AT RWAS Sustainable Grass and Muck Event**

**Thursday, 30th of May, 2024**

The event will cover 850 acres and will provide an excellent showcasing opportunity for providers of grassland machinery and associated technologies. The event will provide live grass and muck equipment demonstrations opportunities in the field and clamp with the emphasis on sustainability.

**The application is for 25 toilets, 2 Disabled (with Baby Changing Facilities for the day)**

**Insurance, Proof of Policy for Employers Liability and Health & Safety and a comprehensive Risk Assessment must be sent to the secretary two weeks prior to the event, Thursday 16th of May, 2024.**

**If you have any queries please contact Mrs Eleri James, 07976100043  
info@royalwelshgrassland.event.com**

**SPECIFICATION FOR TOILET CLEANING & MAINTENANCE  
All toilets must be cleaned between 6.00 & 7.30PM**

Royal Welsh Agricultural Society  
Cymdeithas Amaethyddol Frenhinol  
Cymru

#### Toilets to be cleaned:

The contractor providing the mobile toilet units will service and dispose of all waste in every toilet. Cleaning cover is therefore required as follows:

#### General:

- Strict control must be kept over attendants ensuring the correct number to each toilet area at all times.
- All toilets to be cleaned at stated times as indicated.
- Individual cubicles should not be used for storage of cleaning equipment.
- Toilet Hire Company will supply soap and toilet rolls AND All other cleaning materials and equipment necessary for the execution of the contract shall be supplied by the successful tender.
- No free meals will be provided by RWAS Sustainable Grass and Muck event
- The successful contractor must be contactable at all times (e.g. mobile phone, radio communication).
- Tickets for the event will not be provided.
- Sub-contracting the tender is not permitted unless authorized by the RWAS Sustainable Grass and muck event
- All equipment to be removed from the premises within 3 days after the event.

This specification may be subject to change with prior negotiation between the RWAS sustainable grass and muck event committee and the successful applicant.

All tenders must be received by email to
