Cyflwyniad - Introduction

The Society is looking forward and delighted to be able to stage Poultry, Pigeon and Egg Shows at this year's Winter Fair.

As at the 2026 Royal Welsh Show we are keen to do this responsibly in line with the general license to ensure that the health and welfare of the birds are maintained.

We are also keen to stage the shows to support exhibitors who have kept breeding the standard of diverse stock during a prolonged difficult period due to this notifiable disease.

We would like to take this opportunity to thank you for your dedication and perseverance and for continuing to support these competitions.

Therefore, in line with the rules and regulations within the 2026 schedule and in particular the prevailing Welsh Government's Bird Gathering licence as we all need to abide by the rules set out to safely stage our Shows.

For full information on the license please find the link below:

<https://www.gov.wales/bird-gatherings-general-licence-poultry>

We will keep you updated of any changes that may affect the competition.

Please ensure that you have read and understood this and can comply with all requirements, we would advise that you also carefully consider the recommendations therein.

Please also refer to the notes at the back of the schedule in relation to this.
