What Happens Next...

Returning Stand Allocation

The Royal Welsh Show is a very popular event and we receive a high number of applications from exhibitors wishing to return year-on-year.

Returning exhibitors will be contacted by early 2027, and will have until the closing date of 1st February 2027 to notify the Trade Stand Department whether they wish to:

- Rebook and accept the same stand as 2026
- Request a change of size or location for 2027
- Not exhibit in 2027

New Stands

Once the above process has been completed we will then start to allocate spaces to new stands.

Closing date for New Expressions of Interest will be 1st March 2027

Confirmation

If your expression of interest is successful, we will contact you with a proposal of a site location we can offer you.

In order to secure your site, you will be required to consider and accept the proposal within 14 days.

If we do not hear from you within 14 days (to accept or decline) the allocation will be withdrawn and offered to another trader.

If the space offered is unsuitable please return the 'offer of trade space' immediately. This will enable us try to find you an alternative position if available.

Successful applicants will then be sent an invoice for the space which indicates that the stand has been confirmed (invoice payment must be received within the payment terms).
