RWAS Winter Fair 2026

What's changing for Livestock Exhibitors at the 2026 RWAS Winter Fair

We're introducing some changes to the way you gain access to the Showground at this year's Winter Fair, in order to comply with new government regulations. We appreciate your support and cooperation in the introduction of this system and the Livestock Team will support with any queries. Below is a quick summary of the changes.

VEHICLE E-PASSES

Vehicle E-Passes will be available for you to download via your RWAS online account. Nothing will be sent to you by post. Instead, you will receive a barcoded electronic vehicle pass before arriving. This must be displayed on your vehicle.

Vehicle and Caravan passes MUST BE PRINTED IN COLOUR to gain access to the site. Black and white passes will not be accepted.

ENTRY E-TICKETS

Upon arrival at the Livestock entrance, you will be required to present your **QR-coded Entry E-Ticket(s)** for scanning.

Please ensure that **every person travelling in the vehicle has their own individual E-Ticket**, as each QR Coded E-Ticket must be scanned before entry is permitted.

All passes and vouchers will be available to download and print via your **RWAS Online account**.

Once all E-Tickets have been scanned, you will be able to proceed to unload your stock.

You can purchase additional E-Tickets via your online RWAS account or at the gate.

DECLARATIONS

To streamline the arrival process and minimise queuing times, all Livestock Exhibitors are kindly requested to complete all required declarations in full prior to arrival. These will be emailed to you in the lead up to the event. Upon arrival at the entrance gate, completed declarations will be collected and verified before access is permitted.

CARAVAN PASSES

If you have secured a caravan pitch, you will be required to print your caravan pass **in colour** and display it in the vehicle towing the caravan. Your Caravan pass is in two sections - ½ to be displayed in the towing Vehicle and ½ to be displayed in the front window of your Caravan.

Please ensure that **all passengers travelling in the vehicle have a valid Entry E-Ticket**, as these will be required to enter the Showground.

COLLECTING WRISTBANDS

Your QR Coded Wristbands will be available to be collected at the below points when collecting your Exhibitor Envelopes/Numbers.

Sheep and Pigs: Exhibitor envelopes should be collected upon arrival at the relevant livestock shed.

Cattle: Exhibitor envelopes should be collected from the Cattle Hut.

WHY CHANGE?

Event organisers are having to review all access systems to ensure all members of the public are safe and accounted for, due to the introduction of Martyn's Law (*Terrorism Protection of Premises Act 2025*). The exhibitor's experiences are important and by collectively working together to prepare for entry, it is hoped that these changes will be of benefit to everyone.

Checklist before leaving home

- ✓ Print your individual vehicle and/or Caravan pass **in colour**
- ✓ QR – coded E-Ticket(s) – Printed or Downloaded/Screenshot
- ✓ Complete declarations in full

If you require any assistance prior to the event, please contact the livestock team who are willing to help.

We would like to thank you in advance for your cooperation
Royal Welsh Winter Fair Committee
